

Practical information

Meeting location:

VAC Herman Teirlinck (Flanders Government)

Havenlaan 88

1000 Brussel

Accessibility

➤ Plane + train

Brussels Airport is the closest airport to the venue. It has a good train connection to the Brussels north train station close to the venue (at about 20 min.)

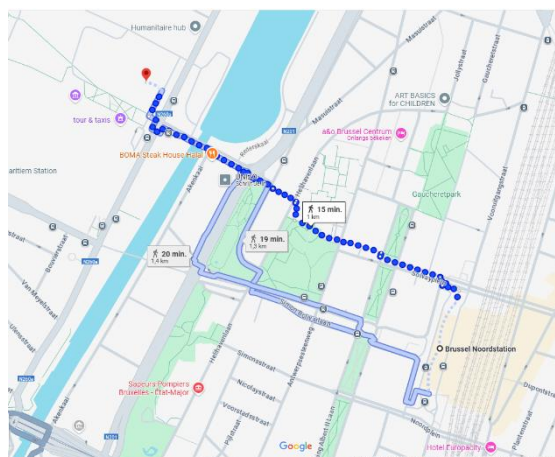

➤ Train + walk / shuttle service

A number of SNCB trains have a stop at Thurn & Taxis station. From the station, you walk 12 minutes through Thurn & Taxis park.

The meeting location is also at about 15 min **walk** (see map) from **Brussels North train station (Bruxelles-Nord)**.

You can look up your departure train station, route and travel time on the website

<https://www.belgiantrain.be/en/tickets-and-railcards/overview-products>.

External visitors can use a **shuttle bus service** between Brussels North train station and the Herman Teirlinck Building (Tour&Taxis). Those shuttle buses are equipped with a lift for wheelchair users.

The stop is under the station where the buses of 'De Lijn' De Lijn also stop.

With the Tour & Taxis App you can track where the buses are and what time they will arrive.

➤ Bus + Metro

A number of **STIB buses** (<https://www.stib-mivb.be/home>) also leave at the North Station with stops at the Herman Teirlinck Building (lines 14, 20 and 57).

The Herman Teirlinck Building is close to a **number of STIB metro stops**. Lines 2 and 6 stop at the Ribaucourt and IJzer-Yser stops, while line 6 also has the Pannenhuis and Belgica stops nearby. Both lines also serve the Rogier stop, where there is also connection with STIB trams on Brussels' North-South connection (premetro). The nearest stop of metro lines 1 and 5 is the Graaf Van Vlaanderen stop.
